Mozilla Firefox (tested in version 47.0)

Enter the link in registration email, e.g.
<https://global.gotomeeting.com/join/122888229>

Confirm application launch

And you should get this screen

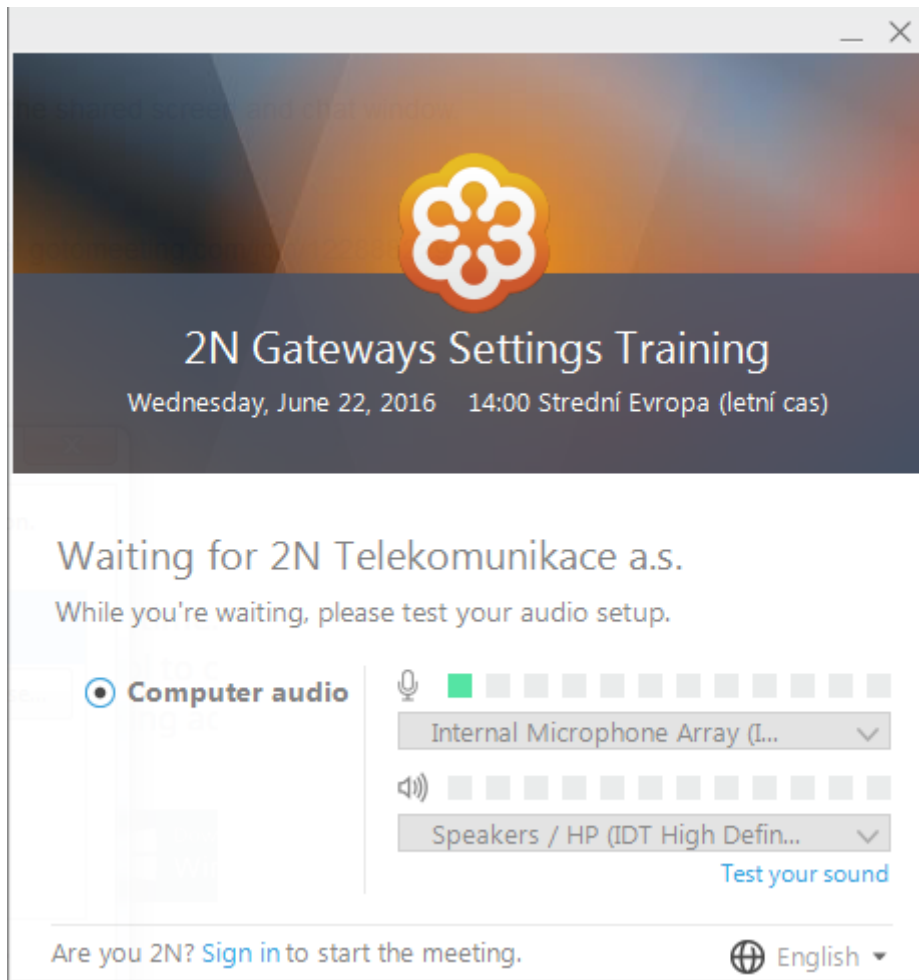

If the training has already started then you will see the shared screen and chat window.

Internet Explorer (tested in version 11.0.9600)

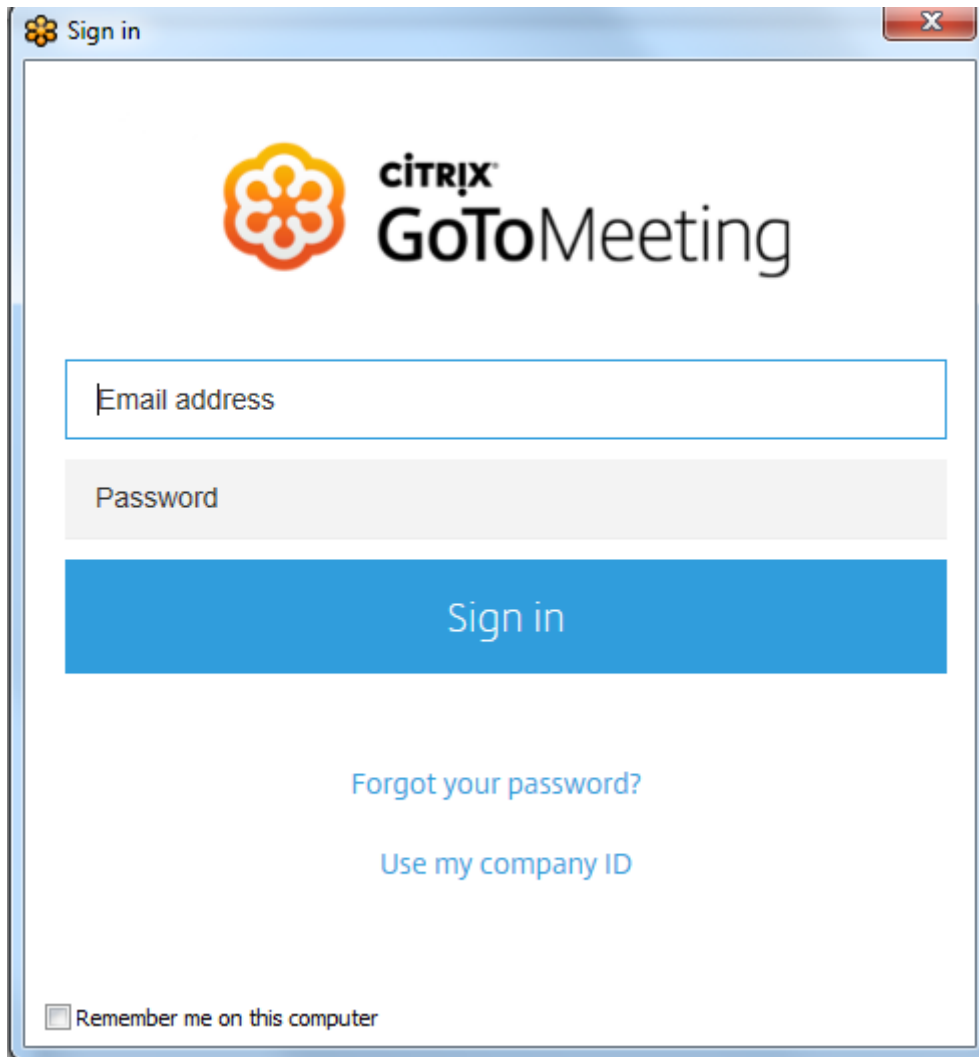

Enter the link in registration email, e.g.
<https://global.gotomeeting.com/join/122888229>

And you should get this screen

GoToMeeting Launcher

Some web browser versions may offer the application download which gives you this login screen:

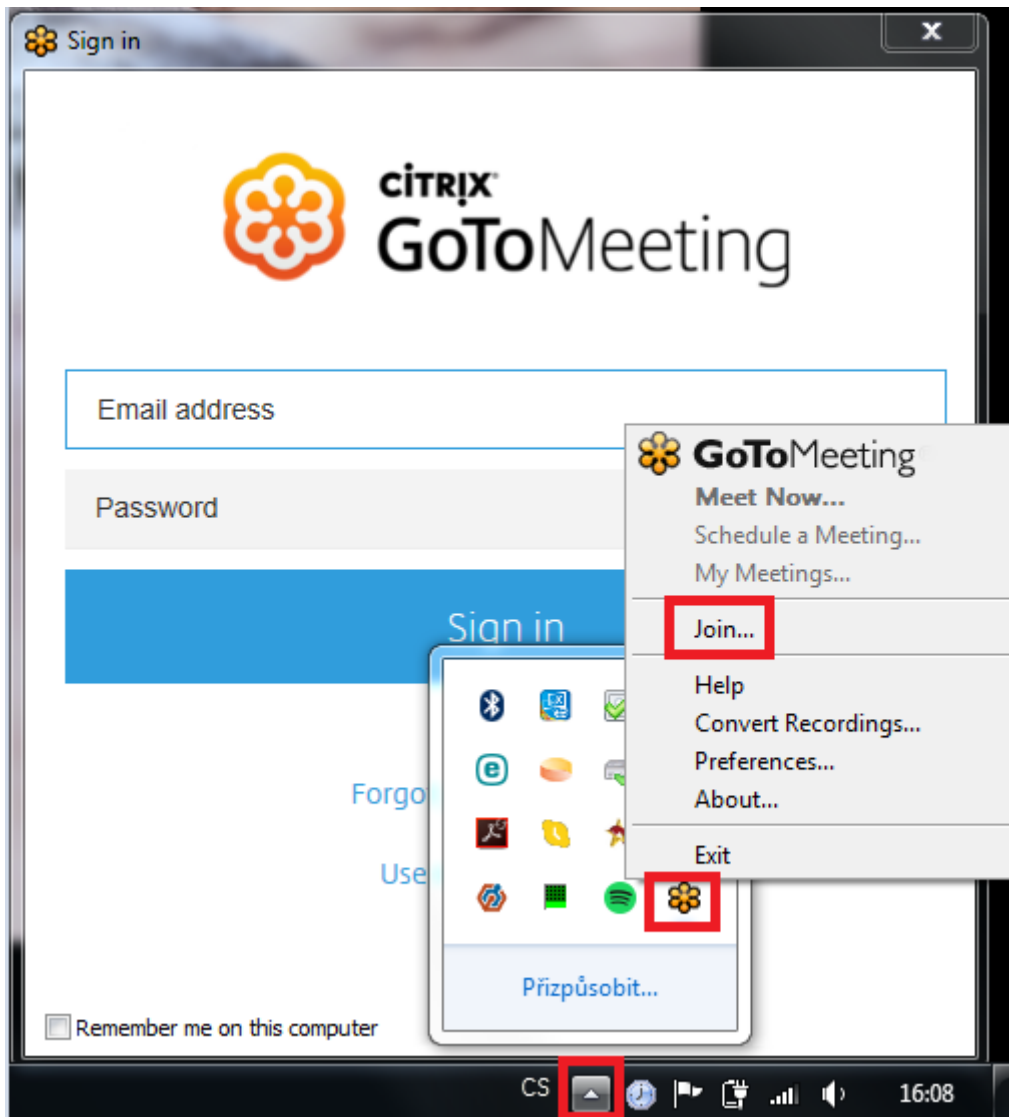

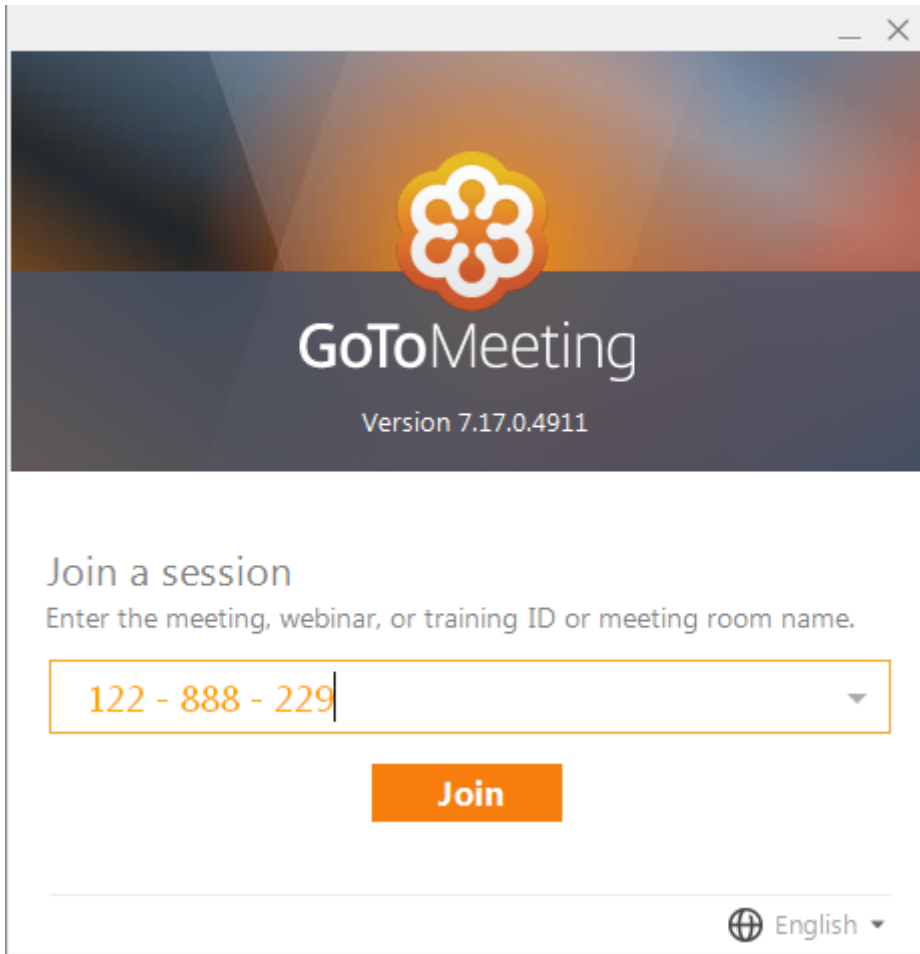

The image shows a screenshot of a web browser window titled "Sign in" with a close button in the top right corner. The main content area features the Citrix GoTo Meeting logo, which consists of an orange stylized flower icon followed by the text "CITRIX GoTo Meeting". Below the logo are two input fields: "Email address" and "Password". A large blue button labeled "Sign in" is positioned below the password field. Underneath the button are two links: "Forgot your password?" and "Use my company ID". At the bottom left, there is a checkbox labeled "Remember me on this computer".

This login screen is only for organizers. Please ignore it. You can join the training via tray icon by using the ID from the link

Example of link: <https://global.gotomeeting.com/join/122888229>

ID from this example: [122888229](#)

Once you click Join, then you should see this screen

The screenshot shows a Zoom meeting window with the following elements:

- Title Bar:** Standard Windows window controls (minimize, maximize, close) in the top right corner.
- Header:** A dark blue banner with the Zoom logo (a white flower-like shape with orange and yellow accents) in the center. Below the logo, the text reads "2N Gateways Settings Training" and "Wednesday, June 22, 2016 14:00 Strední Evropa (letní čas)".
- Main Content:**
 - Text: "Waiting for 2N Telekomunikace a.s." followed by "While you're waiting, please test your audio setup."
 - Audio Controls:** A section titled "Computer audio" with a radio button. To the right, there are two volume sliders. The first is for the microphone, labeled "Internal Microphone Array (I..." with a dropdown arrow. The second is for the speakers, labeled "Speakers / HP (IDT High Defini..." with a dropdown arrow. A blue link "Test your sound" is positioned below the speaker controls.
- Footer:** A horizontal line separates the footer from the main content. It contains the text "Are you 2N? [Sign in](#) to start the meeting." on the left and a language selector "English" with a globe icon and a dropdown arrow on the right.

If the training has already started then you will see the shared screen and chat window.
